### Welcome & Introductions

#### FY21 Coalition Projects and Goals

- The main project selected from survey results will be **Targeting and Engaging the Vaping Populations**
- Two workgroups will be formed Prevention/Policy and Cessation. Participants can select which group they would prefer to work with this year.
  - **Prevention/Policy** – Working with PACT on Vape Free Schools Initiative to provide support in the form of policy and prevention resources. Sticker shock campaign, posters and media for schools.
  - **Cessation**- Engaging young adults, 25-35 yr olds. Addressing misinformation, providing resources and media campaign.

**Karen Rush** - Prevention/Policy  
**Shannon Mason** - Cessation  
**Leah Neiderer** - Cessation  
**Angela Bates** - Prevention/Policy  
**Adam Bennett** - Cessation  
**Stacy Mccole** - Prevention/Policy  
**Shay Elkins** - Prevention  
**Bevan Allen** - Prevention/Policy  
**Carolyn Hetrick** - Prevention

**Amy Lauver** - Prevention/Policy  
**Pam Miller** - Cessation  
**Vicki Deloatch** – Either one  
**Eric Rothermel** - Wherever needed  
**ALL OTHERS** – Will be assigned, or  
email [Erica.Saylor@lung.org](mailto:Erica.Saylor@lung.org) for preference

### Questions/Comments

- NOT and INDEPTH vaping program courses are now available online. The cost is \$400 and if you are interested reach out to Erica.
- Materials that target the college students? The PACT team has been working on several projects targeting the college population.
  - ACTION ITEM: PACT's College resources will be included with the minutes.

### Closing Remarks

- For further questions or comments, contact [Erica.Saylor@lung.org](mailto:Erica.Saylor@lung.org).
- Powerpoints and discussed project links will be included with the minutes.
